

Water Bank

The MRGCD **Water Bank** is an opportunity for those land owners who have severed their water rights or have acquired land that no longer retains water rights to utilize the irrigations system and available irrigation water the District provides.

To utilize the **Water Bank**, prospective irrigators must fill out a Water Bank application. Before usage is granted, applicants must fulfill all requirements outlined in the **Water Bank - Rule 23**. Please read **Rule 23** before submitting an application.

Once all needed information is received and the administrative and water usage fees are paid, irrigators may begin scheduling water deliveries through their respective ISO/Ditch Rider.

Any and all questions regarding the **Water Bank** should be addressed the MRGCD General Offices at 1931 Second St., SW, Albuquerque, NM, 87102 or by calling the General Offices at 505-247-0234.
