THURSDAY, AUGUST 8, 2019 | 5:30 TO 6:30pm,
RUDOLFO ANAYA NORTH VALLEY LIBRARY
7704 2ND STREET NW, ALBUQUERQUE, NM 87107

YOU'RE INVITED
LOCATION: Rudolfo Anaya North Valley Library
THURSDAY, AUGUST 8, 2019 | 5:30 to 6:30pm
The Public Works Division of Bernalillo County, and agency partners MRGCD and AMAFCA, invite you to participate in a public meeting for the Alameda Drain and Trail Design, Phase 2. The Phase 2 project design will be for a multi-use trail and landscape along the Alameda Drain from Osuna Road to El Pueblo Road.

Stop in at any time between 5:30 and 6:30 pm on Thursday August 8th, 2019 at the Rudolfo Anaya North Valley Library (7704 2nd Street NW, Albuquerque, NM 87107) to learn about the project.

This Project is the second phase of a multi-phase project to develop a multi-use trail and amenities along the Alameda Drain from Rio Grande Boulevard north to Cynthia Loop, just south of the North Diversion Channel, a length of approximately nine miles.

The Phase 2 project from Osuna Road to El Pueblo Road will generally follow the recommendations of the Alameda Drain and Trail Master Plan, which was completed in October of 2016.
