INTRODUCTION

BRIEF HISTORY

The Middle Rio Grande Conservancy (MRGCD) is a political subdivision of the State of New Mexico and is governed by New Mexico State Statutes NMSA 1978, Chapter 73. The NM Legislators created MRGCD by Conservancy Act of 1923. The MRGCD extends from Cochiti Dam to the north boundary of Bosque Del Apache National Wildlife Refuge. The MRGCD Board of Directors approves an annual fiscal budget and the current 2014/15 fiscal year budget is \$25,801,389 which ends June 30, 2019. The MRGCD employs approximately 200 employees and operates five (5) offices; with the central office located at 1931 Second Street, SW Albuquerque, New Mexico.

The MRGCD encompasses approximately 150 river miles from Cochiti Dam to the north boundary of Bosque Del Apache. It varies approximately 1 to 5 miles in width. The total area is 277,760 acres with approximately 28,500 acres of Indian land and 128,787 acres of irrigable lands. Presently, there are approximately 60,000 property owners that use irrigation facilities.

The MRGCD serves six Middle Rio Grande Pueblos including Cochiti, Santo Domingo, San Felipe, Santa Ana, Sandia and Isleta. The Pueblos participate as qualified electors in MRGCD elections. The major functions of the MRGCD are to divert, transport and deliver irrigation water efficiently to the water users, provide flood protection from the Rio Grande via properly maintained levees and provide subsurface drainage benefits to the valley by operating and maintaining the drains resulting in a lowering of the water table.

The MRGCD maintains contracts with Department of the Interior, Bureau of Indian Affairs, Corp of Engineers, and US Fish and Wildlife Service. The MRGCD also works very closely with the State of NM, cities, counties and other agencies within the state.

The Board of Directors consists of seven elected members as follows: 1-member, Sandoval County; 3-members, Bernalillo County; 1-member, Valencia County; 1-member, Socorro County; and 1-member, At-Large. Terms are four years each with staggered elections on odd numbered years.

This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a bid or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

APPENDIX 2
SUSPENSION AND DEBARMENT REQUIREMENT

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT
AND OTHER RESPONSIBILITY MATTERS**

The entering of a contract between Middle Rio Grande Conservancy District (MRGCD) and the successful Bidder pursuant to this RFB is a “covered transaction,” as defined by 45 C.F.R. Part 76. MRGCD’s contract with the successor Bidder shall contain a provision relating to debarment, suspension, and responsibility substantially in the form contained in Article 39 of Attachment D. All Bidders must provide as a part of their bids a certification to MRGCD in the form provided below. Failure of a Bidder to furnish a certification or provide such additional information as requested by the Procurement Manager for this RFB will render the Bidder non-responsible. Furthermore, the Bidder shall provide immediate written notice to the Procurement Manager for this RFB if, at any time prior to contract award, the Bidder learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Although MRGCD may review the veracity of the certification through the use of the federal Excluded Parties Listing System or by other means, the certification provided by the Bidder in paragraph (a), below, is a material representation of fact upon which MRGCD will rely when making a contract award. If it is later determined that the Bidder knowingly rendered an erroneous certification, in addition to other remedies available to MRGCD, MRGCD may terminate the contract resulting from this request for bids for default.

The certification provided by the Bidder in paragraph (a), below, will be considered in connection with a determination of the Bidder's responsibility. A certification that any of the items in paragraph (a), below, exists may result in rejection of the Bidder's bid for nonresponsibility and the withholding of an award under this RFB. If the Bidder's certification indicates that that any of the items in paragraph (a), below, exists, the Bidder shall provide with its bid a full written explanation of the specific basis for, and circumstances connected to, the item; the Bidder's failure to provide such explanation will result in rejection of the Bidder's bid. If the Bidder's certification indicates that that any of the items in paragraph (a), below, exists, MRGCD, in its sole discretion, may request, that the U.S. Department of Health and Human Services grant an exception under 45 C.F.R. §§ 76.120 and 76.305 if MRGCD believes that the procurement schedule so permits and an exception is applicable and warranted under the circumstances. In no event will MRGCD award a contract to a Bidder if the requested exception is not granted for the Bidder.

(a)(1) By signing and submitting a bid in response to this RFB, the Bidder certifies, to the best of its knowledge and belief, that:
