

JUSTIFICATION FOR SOLE SOURCE PROCUREMENT

Fiscal Year 2024

SOLE SOURCE JUSTIFICATION

Sole Source and competition is precluded for the reasons stated below. The Licenses, maintenance, etc. for the respective software products are proprietary, protected by trademark or copyright. There are no produce substitutions that are capable of interfacing with MRGCD's existing system(s).

Restricted to the following sources:

Brief description of the materials or service required:

1. Tyler Technologies – System & Product maintenance (e.g. licenses, updates, upgrades, replacement parts are required and can only be obtained through Tyler Technologies.
 - a. Financial Accounting System
 - b. Human Resources / Payroll
 - c. General Revenues
 - d. Property Revenues
 - e. Other Applications
 - f. Departmental Functions
 - g. System Administration
2. Kronos is a limited proprietary system: System & Product maintenance (e.g. licensees, updates, upgrades, replacement parts) are required and can only be obtained through Kronos.
3. ESRI - System & Product Maintenance (e.g. licenses, updates, upgrades, replacement parts are required and can only be obtained through ESRI
 - a. ESRI software maintenance

I certify that the information provided above, are complete and correct to the best of my knowledge. I understand that the processing of this Sole Source justification precludes the use of full and open competition.
